

## Quality of Education

Policy Position #04

**This Policy Position was approved by the Board of Directors on 12/02/2018.**

**WHEREAS** the Nova Scotia post-secondary education system strives at all times to provide the highest possible quality of education to its students, fostering accessibility and success.

**WHEREAS** policies, programs, and services in post-secondary education should meet student expectations to help prepare them for lifelong success, including in their personal lives and careers.

**WHEREAS** commitment to continual improvement in teaching is fundamental to a high quality post-secondary education system.

**WHEREAS** rankings, class size, and research activity do not always correlate positively with higher quality instruction or student outcomes.

**BE IT RESOLVED THAT** Students Nova Scotia advocate to the province to partner with post-secondary institutions and other stakeholders to undertake a comprehensive review of the current state of teaching and learning in the Nova Scotia post-secondary system.
